

## Arrival Instructions for 2023 Aspire Championships

Set your satnav to take you to the sailing club, Brading Haven YC PO33 1XQ. **Beware** of speed camera vans coming out of Cowes and Fishbourne ferry terminals!

The boats aren't being kept in the club compound. When you reach the club keep driving along Embankment Road. You will see on your left several houseboats as the road turns to the left. You'll drive past Bembridge SC again on the left and then you'll see the Harbour café. The boat park entrance is immediately after the café. You'll also see the Pilot Boat Inn on your right. Please resist the temptation and drop the boat off first.

The boat park will be manned by club members Friday evening and all-day Saturday to guide you to your space. If arriving on Thursday boats can be left there too.

### Scrutineering

Dan will be around on Saturday to check a number of measurement points. Please ensure your boat is in order. These checks include – but are not limited to – band presence and position, sail plan, correctors, and advertising.

### Registration:

The registration desk will open at the club at 17:00 on Saturday evening and will close after the competitors briefing at 2100. Registration is compulsory. Please don't make us chase you.

There will be a minibus shuttle going to and from the club and boat park on race days. It's about a 15-minute walk or 5 minute cycle.

The blue cross is the position of the club, the yellow cross the boat park area. There is no tap at the boat park.

Trailers can be left under your boat (preferred) or double trailers can be accommodated in a secure yard. A club member will be able to advise if necessary. The boat park area is well sheltered, but please use common sense regarding tying down.
